As an owner of 3 XM radios, I am writing to voice my utter disgust with the National Association of Broadcasters lobbying efforts to limit XM radio. There is plenty of room for XM in the grand scheme of things. You should realize that I bought XM service because I am tired of the 70-30% ratio of advertising to music, and the total lack of variety over the conventional airwaves. I'd rather pay for XM than listen to the same junk over and over again and be inundated with senseless commercials that insult my intelligence. LEAVE XM ALONE!!! I am happy with their service and like their innovative ideas in local areas. I ask the FCC to reject the NAB's petition 04-160. I pay for XM not the NAB. Kindly tell the NAB to butt out!

Sincerely,
Mark J. Medina
